SECOND PRELIMINARY AMENDMENT

Commissioner for Patents Washington, D.C. 20231

Sir:

Prior to examination on the merits, please preliminarily amend the subject application as follows:

IN THE CLAIMS:

Please add claims 11 and 12 as follows:

11. (Amended) A surgical device for use in minimally invasive surgery of the type using an inflated cavity accessible to a surgeon through an access port, defined by the device, surrounding an incision in a patient's body, the device comprising:

body cavity engagement means for insertion into the incision to locate the device in position including a distal ring;
